A bill to be entitled
An act relating to education; creating s.
240.535, F.S.; creating the South Florida
School for the Performing and Visual Arts;
providing for the administration and governance
of the school; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 240.535, Florida Statutes, is
created to read:

240.535 South Florida School for the Performing and
Visual Arts.--

(1) This section shall be known and may be cited as
the "South Florida School for the Performing and Visual Arts
Act."

(2) As Florida strives to achieve excellence in all
aspects of public education it is the intent of the
Legislature that specific attention be given to the needs of
artistically talented high school and college students. It is
further intended that such students who are occupationally
oriented to the arts be provided with the means for achieving
both an academic education and artistic training appropriate
to their gifts.

(3) There is hereby created the South Florida School
for the Performing and Visual Arts, a center of excellence for
the performing and visual arts in south Florida. The school
shall offer a program of academic and artistic studies in the
visual and performing arts which shall be available to
talented high school and college students in south Florida.
(4) The South Florida School for the Performing and Visual Arts shall be located at Miami-Dade Community College. The school is assigned to the District Board of Trustees of Miami-Dade Community College and the Dade County District School Board for purposes of administration and governance and shall serve as a professional school for the south Florida counties for all qualified students within appropriations and limitations established by the Legislature and the respective educational boards.

Section 2. This act shall take effect July 1, 1984.

(4) A South Florida School for the Performing and
Visual Arts is to be located at Miami-Dade Community College.
The school is assigned jointly to the District Board of Trustees of Miami-Dade Community College and the School Board of Dade County, Florida, for purposes of administration and governance. The Dade County Public Schools shall be the institution with the responsibility for certifying and awarding high school credits and diplomas, and Miami-Dade Community College shall be the institution to certify and award college credits and degrees beyond the high school level.

Section 2. This act shall take effect July 1, 1984.
HB 194

OTHER COMMITTEES OF REFERENCE: Appropriations

Sponsor: Rep. Metcalf & others

Relating To: South Florida School for the Performing & Visual Arts

I. SUMMARY:

A. Present Situation:

There presently exists a joint program between the Miami-Dade Community College and the Dade County School District to identify and select outstanding student talent in the visual and performing arts. A program is underway to provide technical classes in the students' field of performing or visual arts. While the student is taking high school courses he or she may also earn college-level credit towards a two-year degree.

B. Effect of Proposed Changes:

The proposed legislation in HB 194 will formally establish the South Florida School for the Performing and Visual Arts and give recognition to the efforts that are currently underway. Governance and administration are assigned jointly to the District Board of Trustees of Miami-Dade Community College and the Dade County District School Board. It is anticipated that students will be served within appropriations and limitations established by the Legislature and the respective educational boards. This proposed legislation does not seek additional physical facilities.
