#### HOUSE OF REPRESENTATIVES COMMITTEE ON JUDICIARY STAFF ANALYSIS

BILL# HB 1098 SPONSOR Reprs. Souto, Dunbar	-,
EFFECTIVE DATE 10/1/85 IDENTICAL/SIMILAR BILLS	
RELATING TO Mechanic's Liens	
OTHER COMMITTEES OF REFERENCE	

#### I. SUMMARY:

#### A. Present Situation:

A mechanics' lien on improvements contracted for with a lessee extends to the interest of the lessor if the improvement was made in accordance with an agreement between the lessee and lessor. A lessor can be assured of protecting himself against mechanics' liens for improvements made by a tenant by expressly prohibiting such liability in a recorded lease.

#### B. Effect of Proposed Changes:

HB 1098 amends s.713.10, F.S., to expand the ways in which a lessor can give effective notice so that a lien arising from improvements made by a lessee does not attach to his interest. Rather than recording the lease in its entirety, the lessor could record a short form lease containing the pertinent facts. Further, where there are multiple rentals relating to one parcel of land, one notice could be filed which would extend to all of the tenancies.

#### II. ECONOMIC IMPACT:

#### A. Public:

Landlords' recording fees for leases can be substantially reduced.

#### B. Government:

Collections by the clerk of court for recording leases would be reduced.

SUBJECT:			BILL NO. AND	SPONSOR:
Mechanics' Lie	ns		HB 1098 by Reps. Souto,	Dunbar

#### SUMMARY:

A. Present Situation:

Section 713.10, F.S., relating to mechanics' liens, provides that when an improvement is made by a lessee in accordance with an agreement between a lessee and lessor, liens shall extend to the interest of the lessor. However, such liens shall not so extend if the lessor has recorded the lease and the terms of the lease expressly prohibit the lessor's liability.

B. Effect of Proposed Changes:

This bill provides that when the lease expressly prohibits such liability (of the lessor for mechanics' liens), the lessee shall notify the contractor making improvements of the prohibition; the knowing and willful violation of this provision by the lessee renders the contract between lessee and contractor voidable at the contractor's option. The bill also deletes a phrase presently qualifying a method by which a lessor may prevent mechanics' liens from extending to his interest, which qualification provides that such method is only available in the absence of fraud on the part of the lessor.

This bill provides the following additional methods by which a lessor can prevent a mechanic's lien, for improvements made by a lessee, from extending to the lessor's interest in leased property: (1) the lessor can record a short form of the lease, which lease expressly prohibits the lessor's liability; (2) in regard to multiple leases for premises on a parcel of land, each of which prohibit the lessor's liability, the lessor can record a notice setting forth the name of the lessor, the legal description of the parcel of land to which the notice applies, and the specific language contained in the various leases prohibiting the lessor's liability along with a statement that all the leases contain such language.

#### II. ECONOMIC IMPACT AND FISCAL NOTE:

A. Public:

Recording fees for lessors, desirous of preventing the extension of mechanics' liens to their interests pursuant to s. 713.10, F.S., may be reduced.

B. Government:

Collections by the clerk for recording leases may be reduced.

AN ACT relating to mechanics' lien law; revising chapter 84, repealing sections 84.01-84.35 and adding sections 84.011-84.371, all Florida Statutes; providing effective date October 1, 1963.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Chapter 84, Florida Statutes, is revised and amended to read:

#### MECHANICS' LIEN LAW

84.011 Definitions.—As used in this act:

- (1) Contract means an agreement for improving real property, written or unwritten, express or implied, and includes extras or change orders as herein defined.
- (2) Contractor means a person other than a materialman or laborer who enters into a contract with the owner of real property for improving it, or who takes over from a contractor as above defined the entire remaining work under such contract.
- (3) Contract price means the amount agreed upon by the contracting parties for performing all labor and services and furnishing all materials covered by their contract and shall be increased or diminished, as the case may be, by the price of any extras or change orders as herein defined, or by any amounts at-

facie sufficient to support a lien on any or all of such lots, parcels or tracts of land so improved.

(2) In the event the project consists of six or more improvements or one improvement costing more than fifty thousand dollars (\$50,000.00), and delivery is to a place, other than the site of improvement, designated by the purchaser, such as, but not limited to, a warehouse, concentration point, cutting or fabricating plant, of materials ordered by the purchaser to be used on one or more of such improvements, there shall be served upon the owner a notice, signed and acknowledged by both the seller and purchaser, substantially as follows:

#### NOTICE OF DELIVERY

	that materials having a value of delivered by the undersigned vendor to
	at

	for construction of improvements upon operty situated in
	Vendor
	Purchaser

The service of said notice shall not create a lien, but shall be proof of delivery of the materials referred to in said notice sufficient to support a lien therefor on any or all of such lots, parcels or tracts of land described in said notice; provided, however, that no lien shall attach to any one or more of such lots, parcels or tracts of land by lienors subject thereto until compliance with section 84.061(2), Florida Statutes, when required, and section 84.081, Florida Statutes, and provided further, that no lien shall attach to any one or more of such lots, parcels or tracts of land previously released in writing or upon which the improvement has been completed for a period of ninety (90) days.

the real property. When an improvement is made by a lessee in accordance with an agreement between such lessee and his lessor, liens shall extend also to the interest of such lessor. In the absence of fraud on the part of the lessor, the interest of the lessor shall not be subject to liens for improvements made by the lessee when the lease is recorded in the clerk's office and the terms of the lease expressly prohibit such liability.

The court, in the enforcement of such lien, may order such improvement to be separately sold and the purchaser may remove it within such reasonable time as the court may fix. The purchase price for such improvement shall be paid into court. The owner of the land upon which the improvement was made may demand that the land be restored substantially to its condition before the improvement was commenced, in which case the court shall order its restoration and the reasonable charge therefor shall be first paid out of such purchase price and the remainder shall be paid to lienors and other encumbrances in accordance with their resprective rights.
