- NOTES:
- Where no time limit appears in event boxes, the transmission line event does not require any review period.
 - All time limits may be altered by order of the Director, FERC, at his discretion.
 - Certain time limits are approximate since they depend on the progress of the review process.
 - All time limits within brackets indicate times between actions in cases where dates are indicated.

The FERC may schedule the publication of notices for the transmission of information for the review of applications and orders. The FERC's determination of whether to schedule publication of such notices will be made on a case-by-case basis. If you have any questions regarding this report, you may contact the Director, FERC, at the address above.
