B. EFFECT OF PROPOSED CHANGES.

Currently, s. 627.7283, F.S., - *Cancellation; return of premium*, provides that if an insured cancels a motor vehicle insurance policy, the insurer must make a prorated refund. The insurer may retain up to 10 percent of the unearned premium and must refund at least 90 percent of the unearned premium. The section provides that if the insured individual cancels a policy, the insurer must mail the unearned portion of any premium paid within 30 days after the effective date of the policy cancellation or receipt of notice or request for cancellation, whichever is later. If the insurer cancels a policy, the unearned portion of any premium must be mailed to the individual within 15 days after the effective date of the policy cancellation.

Section 627.733, F.S., provides that members of the United States Armed Forces who are on active duty outside the United States in an emergency situation are not required to maintain Florida motor vehicle insurance. This exemption applies only for the length of time the armed forces member is on active duty outside the United States. In addition, this section provides for the cancellation of coverage and the return of any unearned premium to eligible military personnel.

The bill provides that an insurer must refund the entire amount of the unearned premium to an insured who cancels a motor vehicle insurance policy if the insured is a member of the armed forces called to active duty or transferred by the armed services to a location where the insurance is not required.

The bill also allows utility companies to provide an optional waiver of customer liability in the event of the customer's death, disability, call to active military service, involuntary unemployment, qualification for family leave, or similar qualifying event or condition.

IV. AMENDMENTS/COMMITTEE SUBSTITUTE CHANGES

The committee substitute differs from the bill as filed in that a provision was added to allow utility companies to provide an optional waiver of customer liability in the event of the customer's death, disability, call to active military service, involuntary unemployment, qualification for family leave, or similar qualifying event or condition. It also expands the definition of utilities to include all the proper references and deletes the requirement that utilities purchase contractual liability insurance.

The committee substitute also changed the "relating to" clause of the bill's title to: "An act relating to waivers of customer liability and motor vehicle insurance premium refunds "
